

Touch-a-Truck is a unique and wonderful community event that grows each year! In our previous Touch-a-Truck, we welcomed over 2700 participants from all over the Puget Sound region. We are offering sponsors an excellent opportunity to interact with hundreds of families in a fun and educational environment. Our soccer field is magically transformed into interactive play for kids of all abilities! This wonderful community event is run by parent volunteers. Children are encouraged to explore, hands on; to climb in the driver's seat, sit tall in a big tractor, pet a police dog, and ride a pony.

Don't miss the opportunity to be part of this fun-filled event that attracts families and offers a variety of promotional marketing opportunities. For information on becoming a corporate sponsor for this event please contact:
